

## ATTACHEMENT A - COLLECTIONS OF INFORMATION UNDER THE PRA

1. Agency	2. Bureau	3. Name	4. Description	5.a Customer Group	5b. Description of Partners	7. Num of Respondents	8. OMB Control Numbers	9. Case ID	10. Transformation Status	11. Completion Date	12. Post October 2003	13. Esig
DOC	NOAA/NOS	Navigation Chart Corrections	Citizens suggest corrections to nautical charts.	C	C - individuals	3,000	0648-0022		Electronic Forms Only	(Beta testing 8/2001) 1/2002		No
DOC	NOAA/NOS	Small-Craft Facility Questionnaire	Marina operators submit revisions to small-craft chart facility information.	B	B - ship/boat industry	1,600	0648-0021		Electronic Forms Only	4/1/2003		No
DOC	NOAA/NESDIS	Registration of Vessel or Aircraft Beacons	Citizens register emergency beacons they have purchased	C	C - individuals; B - ship/boat/aircraft industry	10,000	0648-0295	006-48-01-15-02-2100-02	Electronic Transactions	10/2002		Yes
DOC	NOAA/NMFS	Marking of Fishing Gear	Participants in certain managed fisheries are required to tag or otherwise mark the gear being used.	B	B - other food industry	2234400	0648-0351, 0648-0352, 0648-0353, 0648-0357, 0648-0359, 0648-0360, 0648-0364, 0648-0373, 0648-0375			Never	No information is submitted	No
DOC	NOAA/NMFS	Fishing Vessel Identification	Fishery vessels in regulated fisheries must display the vessel number in three locations.	B	B - other food industry	21887	0648-0350, 0648-0355, 0648-0358, 06480-373			Never	No information is submitted	No
DOC	NOAA/NMFS	Alaska Daily Cumulative Production Log for Catcher/Processors in IFQ Fishery	Catcher/processor vessels report types and amounts of fish products produced.	B	B - other food industry	142	0648-0213		Process Streamlining	10/2003		Yes

1. Agency	2. Bureau	3. Name	4. Description	5.a Customer Group	5b. Description of Partners	7. Num of Respondents	8. OMB Control Numbers	9. Case ID	10. Transformation Status	11. Completion Date	12. Post October 2003	13. Esig
DOC	NOAA/NMFS	Alaska Product Transfer Reports	Motherships, catcher-processor vessels, and shoreside processors are required to submit a report for each shipment or receipt of fishery products.	B	B - other food industry	171	0648-0213		Process Streamlining	Unknown		Yes
DOC	NOAA/NMFS	Alaska Request for IFQ Administrative Waiver	Participants in the Individual Fishing Quota Program may request waivers from several reporting requirements.	B	B - other food industry	10000	0648-0272		Process Streamlining	Unknown		Yes
DOC	NOAA/NMFS	Alaska IFQ Shipment Report	Registered buyers in the Individual Fishing Quota Program must submit a report on each shipment or transfer of fish before the fish leave the landing site.	B	B - other food industry	10000	0648-0272		Process Streamlining	Unknown		Yes
DOC	NOAA/NMFS	Alaska Daily Cumulative Production Log for Catcher/Processors	Catcher/processor vessels must keep daily logs on production activities and submit those logs to NOAA.	B	B - other food industry	142	0648-0213		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Alaska Daily Cumulative Production Log for Motherships	Motherships must keep daily logs on production activities and submit those logs to NOAA.	B	B - other food industry	37	0648-0213		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Alaska Region Daily Fishing Log	Fishermen submit logbook of fishing trips.	B	B - other food industry	515	0648-0213		Process Streamlining	10/2003		Yes

1. Agency	2. Bureau	3. Name	4. Description	5.a Customer Group	5b. Description of Partners	7. Num of Respondents	8. OMB Control Numbers	9. Case ID	10. Transformation Status	11. Completion Date	12. Post October 2003	13. Esig
DOC	NOAA/NMFS	Alaska Region Certified Observer Weekly Deployment and Logistics Reports	Certified observer companies must submit weekly information on their deployment of observers and related information.	B	B - federal contractors	5	0648-0318			Never		No
DOC	NOAA/NMFS	Submission of Tag Recovery Information for Sablefish	Persons catching tagged sablefish are requested to submit information on location, etc., of recovery.	B	B - other food industry; C - fishermen	4320	0648-0276			Never	Tags need to be physically returned	No
DOC	NOAA/NMFS	Submission of Alaska IFQ Cost Recovery Program Permit Holder Fees	Participants in the Individual Fishing Quota Program are assessed fees based on the value of landings. Certain information is required to be submitted with the fee payment.	B	B - other food industry	4000	0648-0398		Process Streamlining	12/2002		Yes
DOC	NOAA/NMFS	Application for Alaska License Limitation Program	Applicants apply for a permit to participate in regulated fishery.	B	B - other food industry	3450	0648-0334		Process Streamlining	1/2002		Yes
DOC	NOAA/NMFS	Alaska Application for Transfer or Lease of Quota Share in IFQ	Participants in the Individual Fishing Quota Program must request approval to transfer or lease quota shares.	B	B - other food industry	1500	0648-0272			Never	Notary signature required	Yes
DOC	NOAA/NMFS	Alaska Application for Additional IFQ Card for Hired Skipper	All persons harvesting Individual Fishing Quota (IFQ) Program species must possess an IFQ card. Permit holders may request additional cards for hired skippers.	B	B - other food industry	1000	0648-0272			Never	Notary signature required	Yes

1. Agency	2. Bureau	3. Name	4. Description	5.a Customer Group	5b. Description of Partners	7. Num of Respondents	8. OMB Control Numbers	9. Case ID	10. Transformation Status	11. Completion Date	12. Post October 2003	13. Esig
DOC	NOAA/NMFS	Alaska Application for Quota Share/IFQ Transfer Eligibility Certificate	Quota shares in the Individual Fishing Quota Program can only be transferred to persons who meet certain standards for fishery participation. Persons wishing to obtain a certificate showing them to be eligible for transfers must file an application.	B	B - other food industry	1000	0648-0272			Never	Notary signature required	Yes
DOC	NOAA/NMFS	Alaska IFQ Identification of Ownership Interest	Corporations and partnerships must submit more detailed eligibility information than individuals for inclusion in the Individual Fishing Quota Program.	C	B - other food industry	1000	0648-0272			Never	Notary signature required	Yes
DOC	NOAA/NMFS	Alaska IFQ Registered Buyer Application	Applicants apply for a permit to participate as a register buyer in the Individual Fishing Quota program.	B	B - other food industry	1000	0648-0272		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Northeast Region Vessel Trip Report	Fishermen submit logbook of fishing trips.	B	B - other food industry	7117	0648-0212		Process Streamlining	10/2002		Yes
DOC	NOAA/NMFS	Northeast Region Operator Permit Applications	Applicants request permit to operate fishing vessel.	B	B - other food industry	7239	0648-0202		Process Streamlining	10/2002		Yes
DOC	NOAA/NMFS	Northeast Region Vessel Permit Renewal	Fishermen apply to renew permits allowing them to fish in specified regulated fisheries.	B	B - other food industry	13085	0648-0202		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Northeast Region Initial Vessel Permit Application	Applicants apply for a permit to participate in regulated fishery.	B	B - other food industry	9300	0648-0202		Process Streamlining	10/2003		Yes

1. Agency	2. Bureau	3. Name	4. Description	5.a Customer Group	5b. Description of Partners	7. Num of Respondents	8. OMB Control Numbers	9. Case ID	10. Transformation Status	11. Completion Date	12. Post October 2003	13. Esig
DOC	NOAA/NMFS	Northeast Region Shellfish Log	Fishermen submit logbook of fishing trips.	B	B - other food industry	75	0648-0212		Process Streamlining	10/2002		Yes
DOC	NOAA/NMFS	Northeast Region Notification of Lost Lobster Trap Tags and Request for Replacement	Participants in the Federal lobster fishery are required to tag their traps. If tags are lost, this must be reported to NOAA and replacement tags requested.	B	B - other food industry	2700	0648-0202			Never	Trap tags are purchased through a government-designated vendor	
DOC	NOAA/NMFS	Monkfish Bycatch Permits	Fishermen without limited access permits but wishing to retain monkfish caught may apply for a bycatch permit.	B	B - other food industry	565	0648-0375		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Requests for Additional Trap Tags in the Northeast Lobster Fishery	Participants in fishery request additional tags for their traps.	B	B - other food industry	1350	0648-0202			Never	Trap tags are purchased through a government-designated vendor	
DOC	NOAA/NMFS	Data Reports From Northwest Region Experimental Fishing Permit Holders	Persons holding experimental fishing permits must file reports on the activities under the permit.	B	B - other food industry	9	0648-0203			Never	Call in option in place. E-option would be more burdensome	

1. Agency	2. Bureau	3. Name	4. Description	5.a Customer Group	5b. Description of Partners	7. Num of Respondents	8. OMB Control Numbers	9. Case ID	10. Transformation Status	11. Completion Date	12. Post October 2003	13. Esig
DOC	NOAA/NMFS	Southeast Region Reef Fish/Mackerel/Snapper-Grouper/Shark Logbook	Fishermen submit logbook of fishing trips.	B	B - other food industry	5369	0648-0016		Process Streamlining	Unknown	Additional (and to this point unexpected) resources are required to bring this online. In addition, the number of fishermen who would/could utilize this needs to be explored.	Yes
DOC	NOAA/NMFS	Southeast Region For-hire Headboat Log	Fishermen submit logbook of fishing trips.	B	B - other food industry	163	0648-0016			Never	Personal interaction required	
DOC	NOAA/NMFS	Interviews of Shrimp Fishermen in the Southeast Region	Shrimp fishermen are interviewed about their fishing effort and the location of fishing.	B	B - other food industry	7500	0648-0013			Never	Personal interaction required	No
DOC	NOAA/NMFS	Southeast Region Shark [and Swordfish] Dealer Reports	Fish dealers report on number of sharks purchased from fishermen.	B	B - other food industry	144	0648-0013		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Southeast Region Report on Swordfish Imports	Dealers must report on the number of swordfish imported.	B	B - other food industry	480	0648-0013		Process Streamlining	Unknown		No

1. Agency	2. Bureau	3. Name	4. Description	5.a Customer Group	5b. Description of Partners	7. Num of Respondents	8. OMB Control Numbers	9. Case ID	10. Transformation Status	11. Completion Date	12. Post October 2003	13. Esig
DOC	NOAA/NMFS	Wreckfish Coupons for Tracking ITQs	Participants in this fishery are assigned Individual Transferable Quotas (ITQs). A fisherman landing wreckfish must have coupons to cover the amount of fish. The fisherman and dealer mark the coupon and submit it to NOAA.	B	B - other food industry	4459	0648-0205			Never	Personal interaction and physical tags required	
DOC	NOAA/NMFS	Southeast Region Vessel Permit Applications	Applicants apply for a permit to participate in regulated fishery.	B	B - other food industry	5500	0648-0205		Process Streamlining	Unknown	The necessary permit application/renewal materials include vessel documentation and income tax verification that are not expected to be accessible online from the issuing agencies before 10/2003.	Yes
DOC	NOAA/NMFS	Large Pelagic Fishing Survey	Recreational fishermen are surveyed about catch and effort related to large pelagic species.	C	C - fishermen	20000	0648-0380			Never	Personal interaction required	No
DOC	NOAA/NMFS	Atlantic Bluefin Tuna Daily Reports	Fish dealers must submit a daily report on any bluefin tuna purchased.	B	B - other food industry	465	0648-0239		Process Streamlining	10/2003		No

1. Agency	2. Bureau	3. Name	4. Description	5.a Customer Group	5b. Description of Partners	7. Num of Respondents	8. OMB Control Numbers	9. Case ID	10. Transformation Status	11. Completion Date	12. Post October 2003	13. Esig
DOC	NOAA/NMFS	Tagging and Labeling of Atlantic Bluefin Tuna	Bluefin tuna must have tags attached to fish and tag number recorded on shipping labels.	B	B - other food industry	5580	0648-0239		Process Streamlining	10/2003	No information is submitted to agency	No
DOC	NOAA/NMFS	Swordfish Certificate of Eligibility	Imports of swordfish must be accompanied by a certificate showing that the fish meet standards for customs entry into U.S.	B	B - other food industry	1000	0648-0363		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Invitations to Bid in Vessel Buyback Programs	Fishermen in a fishery conducting a vessel buyback program to reduce participation in the fishery are invited to submit bids for leaving the fishery	B	B - other food industry	1600	0648-0376		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Referenda Votes in Vessel Buyback Programs	Fishermen in a fishery where a vessel buyback program has been proposed to reduce participation in the fishery may vote on accepting the program.	B	B - other food industry	1600	0648-0376, 0648-0413		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Annual Financial Statement for Fishery Finance Program	Persons who have obtained a loan from the program must file annual financial statements.	B	B - other food industry	1080	0648-0012			Never	Physical document required	Yes
DOC	NOAA/NMFS	Capital Construction Fund Deposit/Withdrawal Report	Participants in the tax-deferral program must file reports on monies deposited to or withdrawn from special accounts.	B	B - other food industry	4000	0648-0041		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	High Seas Fishing Vessel Logbook	Fishermen submit logbook of fishing trips.	B	B - other food industry	5655	0648-0349		Process Streamlining	10/2003		Yes

1. Agency	2. Bureau	3. Name	4. Description	5.a Customer Group	5b. Description of Partners	7. Num of Respondents	8. OMB Control Numbers	9. Case ID	10. Transformation Status	11. Completion Date	12. Post October 2003	13. Esig
DOC	NOAA/NMFS	Annual Processed Products Report	Fish processors report on their annual products processed.	B	B - other food industry	1320	0648-0018		Process Streamlining	10/2003		No
DOC	NOAA/NMFS	Southwest Region Pelagic Longline Logbook	Fishermen submit logbook of fishing trips.	B	B - other food industry	140	0648-0214		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Fisheries Certificate of Origin	Persons importing tuna must have documentation that the tuna meet standards for importation.	B	B - other food industry	32	0648-0335		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Southwest Region Crustacean Logbook	Fishermen submit logbook of fishing trips.	B	B - other food industry	15	0648-0214		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Pacific Tuna Purse Seine Logbook	Fishermen submit logbook of fishing trips.	B	B - other food industry	25	0648-0148		Process Streamlining	10/2003		Yes
DOC	NOAA/NMFS	Tuna Captain's Statements	If tuna were harvested outside the eastern tropical Pacific Ocean it cannot be imported unless accompanied by a Captain's statement certifying that no purse seine nets were intentionally deployed on dolphins during the voyage.	B	B - other food industry	1200	0648-0335		Process Streamlining	10/2003		Yes
